# MEET OUR *Newlyweds*

---

Discover what some of our lovely couples have to say, as they reflect back on their special day with us.

”

Would highly recommend Bryn Meadows for a wedding venue, or even for the Sunday lunch - no other words than amazing!

Myself & my husband booked our wedding after visiting a wedding fayre at Bryn Meadows. As soon as I walked through the doors, it felt perfect, my heart sunk & without any questions asked, I knew this was my venue!

Throughout the planning, nothing was ever too much. I can honestly say I questioned everything in doubt, but no matter what, I was reassured again & again!

Lots of planning throughout & several meetings with the Wedding coordinator who went above & beyond for any request we had. Closer to the date, they arranged a catch up at the venue to go through how the day would run which helped take the pressure from us to make sure the day was perfect!

Mr & Mrs Rees

”

We just wanted to say thank you. All of the team at Bryn Meadows made our day so special, everyone was so helpful and kind.

We would 110% recommend Brynmeadows for weddings to anyone we know getting married, we cannot find anything to improve, it was amazing.

Thank you so much.

Mr & Mrs O'Dwyer

”

The day was absolutely superb! The wedding ran like clockwork and was organised really well. The team on the day were amazing and could not have done more for us and our guests.

Everyone said the food was fantastic (always a worry at mass catering events), but not one single complaint.

I would highly recommend Bryn Meadows and the majority of your recommended suppliers, the cake was stunning, the decor really looked amazing and Cwtch Studios are fantastic and Jax really helped Karen all day.
